After breakfast, you will be whooshed straight into Sabah's lush countryside-- with a couple of interesting pitstops along the way for some famous local eats, handmade folk souvenirs, and perhaps a taste of some exotic fruits.

The first ½ hour drive ushers you through scenic landscapes and lush paddy fields laced with rustic local villages and finally into **Tamparuli Town**. Take a walk on the famous "Jambatan Tamparuli" suspension bridge and soak up the small-town charm.

Continue your journey through the mountainous roads winding along the Crocker range for another hour, till the next brief stop at **Nabalu Handicraft market**. Nabalu is a rustic point perched on the hillside, where the local natives gather to sell local produce, fruits, home grown vegetables, and handicraft souvenirs.

Depart on another hour's journey to **Poring Hot Spring** for a soothing sulphur bath in the Japanese-styled open-air tubs! Dip in the all-natural mineral-rich hot springs water, surrounded by beautifully landscaped gardens. There is also a cold-water pool nearby for those who prefer a cold dip.

Your day wraps up with an immersive exploration of Mount Kinabalu's treetops. **The Canopy Treetop Walk** invites you to witness the grandeur of a hundred-million-year-old rainforest, from a 175m length walkway suspended 60 meters above lush jungly tangles. Take in the sights and sounds and

discover unique rainforest creatures from a bird's eye view. A 20-minute hike is needed to reach the Canopy Walkway. Transfer to Kundasang and check into a mountain resort. You will notice the change in air temperature at this elevated level. You are free to explore the resort at leisure. *Overnight at Kinabalu Pine Resort, Kundasang.*

**DAY 03      DESA COW FARM / KINABALU NATIONAL PARK      (B)**

Cattle graze the green pastures off, to provide nearly one million liters of mountain-fresh creamery annually, all while travelers both near and far enjoy the outrageously scenic view that plays backdrop for the daily milking that goes on.

Next up on the day's agenda - visit to Malaysia's first ever UNESCO World Heritage Site, **Kinabalu National Park**. *Set at 1,500m above sea level, this 754sq kilometer park features one the Tallest Mountains in all Southeast Asia as its centre piece - Mount Kinabalu.
